Cultivation :	Ploughed soils, manual grape picking In BIO – HVE conversion
Winemaking / ageing:	Soft extraction of the juices (pneumatic pressoir), maceration and ageing in oak barrels (during 12 months)
Wine tasting :	<p>Color : This white wine has a pale yellow colour with green reflections</p> <p>Nose : the nose is expressive and develops fruity notes of fresh quince, lemon zest but also toasted notes reminiscent of roasted almond</p> <p>Palate : Round, smooth, enveloping and balanced by a fine freshness and a few bitters that lift the palate to notes of white peach and candied lemon. It is a racy and elegant wine</p> <p>Pairing : This wine will accompany tasteful dishes such as breaded frog legs seasoned with parsley and lemon juice ; Wing of stingray à la grenobloise (capers, croutons and lemon) ; Goat cheese like Picodon cheese or Sainte Maure de Touraine cheese</p>
Laying down :	Drink now or within 5 to 6 years. Serve between 10 and 12°C
