## **2015 E Darnaud St Joseph**

---

A monster of a St Joseph, the 2015 Saint Joseph comes from the Dardouille lieu-dit (near Mauves) and was aged in demi-muids and second-fill barrels. It has a saturated purple/blue color as well as awesome notes of crème de cassis, freshly crushed rocks and cracked pepper. Rich, full-bodied, ultra-pure and with impeccably purity and balance, it's another tour de force from this appellation.
